

2 PANZER DIVISION - 400 POINTS

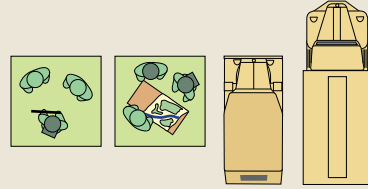

2 PD moved from Amiens to Normandy in four groups, the tracked vehicle group which moved by rail and three road groups, a "Right March Group", "Left March Group" and the "Rece Battalion".

The tracked panzers were delayed and upon arrival at the front on the evening of 12th June these March Groups became the division's Kampfgruppe with the Right in the Jurques area and the Left in the northern part of Bois du Hommes and the Rece Battalion at Caumont.
